Declaration for formaldehyde-free adhesives	Yes	No
Declared adhesives are formaldehyde-free according to definition in <i>IOS-MAT-0003</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Trade name and article no. of adhesive product	Biocide in the adhesive	CAS no.	Weight percentage

Table A shall be filled in for any of the following cases:

- Biocides not appearing in **Fehler! Verweisquelle konnte nicht gefunden werden.**
- One biocide is over its limit in **Fehler! Verweisquelle konnte nicht gefunden werden.**
- The weighted sum of a biocide mixture is greater than 1.5 (150 %)

Note: In these three cases, all biocides in the adhesive product shall be listed.

The information in this table will be used as a basis for the IKEA supplier's application to IKEA for permission for the use of biocides in the adhesive.

Safety Data Sheets (SDS/MSDS) and technical data sheets for the adhesive products specified in this declaration have been handed over to the IKEA supplier (or the equivalent producer applying the adhesive).

This declaration is only valid on condition that these products are used according to process instructions established by us, the adhesive producer.
